Dear Sirs,

We are glad to advise you that a Greek theatre is interested in producing the following one act plays by Dario Fo:

- UNA MADRE
- UNA GIORNATA QUALUNQUE 50/50
- LO STURBO
- PUTANA NEL MANICONIO 70/30 50/50

All four plays will be presented in the same performance, as one play.

Please therefore, let us know whether you authorize the above probable Greek production, and in the affirmative let us know your terms.

Bearing in mind the crisis which all Greek theatres are facing these days, we kindly ask you to fix the lowest possible advance payment and royalties.

Looking forward to reading from you and thanking you in advance, we are,

Yours Faithfully,

C. Samaras
